

ATTENDANCE

The School Board recognizes that the presence in the classroom enables the student to participate in instruction, class discussions, and other related activities. As such, regular attendance and classroom participation are integral to instilling incentives for the student to excel. Students are bound by the requirements of Indiana's compulsory attendance law. Attendance shall mean to be physically present in a school or at another location where the school's educational program in which the student is enrolled is being conducted during regular school hours on a day in which the educational program in which the student is enrolled is being offered.

Attendance shall be required of all Western Wayne Schools ("Corporation") students, except those exempted under other provisions of State law, during the days and hours that the school is in session.

The Superintendent shall require, from the parent of each student or from an adult student who has been absent for any reason, a written statement of the cause for such absence. The Board reserves the right to verify such statements and to investigate the cause of each:

- A. prolonged absence;

ation;
- C. repeated unexplained absence and tardiness.

The Board considers the following for excused absences:

An unexcused absence is any absence not covered under the definition of an excused absence or an exception to compulsory attendance. An out-of-school suspension or expulsion shall not be considered an unexcused absence.

Repeated instances of unexcused absences may result in disciplinary action up to suspension or expulsion of a student.

Truancy is defined as a willful refusal to attend school as required by the compulsory attendance law.

The Superintendent or an attendance officer having jurisdiction shall report a child who is habitually absent from school to an intake officer of the juvenile court and/or the Department of Child Services.

Attendance need not always be within the school facilities, but a student will be considered to be in attendance if present at any place where the school is in session by the authority of the Board.

The Board shall consider each student assigned to a program of other guided learning experiences to be in regular attendance for the program provided that s/he reports to such staff member s/he is assigned for guidance at the place in which s/he is conducting a study, and regularly demonstrates progress toward the objectives of the course of study.

The Superintendent shall develop administrative guidelines for student attendance and truancy.

The Superintendent also shall ensure that the Board's policy on attendance and the Corporation's administrative guidelines are made available to all parents and adult students.
