4. Discussion Items:

-Principal Update:

Elizabeth Miller stated that the 3rd graders are taking the I-Read test this week. Also informed us

that new to this year, second graders will be taking this test also. If they pass in second grade they will not have to retake in in the third grade. Another positive of this is that if they do not pass they will be able to work with these students. The American Legion did a program with Fourth graders about the American Flag. The students did a project where two students from each school are picked to have a chance to win \$1000. Mrs. Miller also informed us that there will be a Night of the Arts program again this year, next month.

Mr. Stover read Mrs. Lakes update that included the accomplishments of student athletes from winter sports and also the progress being made for LGEI.

5. Upon motion by David Sturgis, seconded by Dennis Feller, the motion to approve the attendance of BPA to the State Leadership Conference in Indianapolis was approved.

Motion carried, 5-0.

7. Public Comment:

Vocational opportunities for Homeschool children:

Concerned that there has been no answer to this.

E-Learning Days:

Would like the board to consider removing the built-in days for this. Concerned that students do not benefit from these days, especially on the vocational side.

Art/Music Programs:

Would like to see full time teachers for these positions brought back. Feels this would be more beneficial for the students than a Social worker.

8. Upon motion of Dennis Feller, seconded by Sarah Pennington, bills were allowed for payment.

Motion carried, 5-0

9. Upon motion of Dennis Feller, seconded by Sarah Pennington, the meeting adjourned at 6.18 p.m.

Motion carried, 5-0
